TMF (THE MUSIC FOREVER) – 'FEATURING LONGTIME FORMER MEMBERS OF MAZE, CELEBRATING THE MUSIC AND LEGACY OF MAZE FEATURING FRANKIE BEVERLY'

TMF comprise the 6 former members of the band MAZE. Roame, Jubu, Vance, Bear, Calvin and Daniel are the same 'Band of Brothers' that toured and recorded as the Iconic Soul/R&B Band, MAZE featuring Frankie Beverly for up to 55 years. These 'Band of Brothers' were the soul of MAZE! As a matter of interest MAZE has not played in the UK for 14 years (April 2010).

Last year Frankie Beverly brought in new management after the passing of MAZE's long-term manager and for the reasons explained in the videos below, these band members ended their association with MAZE and **TMF** was born.

Please take a few minutes to watch the following videos:
